

*Every Contribution Makes a Difference*

Volunteerism is at the heart of service and at PremierBank we care about making our communities better places to live, do business and raise families. Through the commitment of our associates, we are able to affect thousands of lives through the programs we support.

Our associates are tremendously passionate about giving back and share their expertise and time with our communities through countless hours of volunteer service with a variety of nonprofit organizations. In addition to giving their time, our associates make financial contributions to causes they care about, and we are proud to encourage and support them in their efforts.

Last year, PremierBank associates volunteered in a variety of ways, from mentoring young people, volunteering at community events, to feeding the hungry, attending to the elderly community and supporting the needs of local veteran services through these, and many other outstanding organizations:

Big Brothers Big Sisters

\* If you are interested in volunteer opportunities with one of these organizations, please feel free to contact them directly.
