(We suggest you print a copy of this for your records.)

NOTE: You must access your online account at least once every 90 days or your login information will be automatically removed from the system for security purposes.

This Electronic Banking Agreement for PremierBank Online Banking contains the terms and conditions governing this service. By clicking "I Agree" at the end of this document, you confirm your agreement to be bound by all terms of this agreement and acknowledge your receipt and understanding of this disclosure.

ABOUT THIS AGREEMENT

This Online Banking Agreement and Disclosure ("the Agreement") governs the use of PremierBank Online Banking service ("Online Banking") offered by PremierBank ("The Bank"). Online Banking allows the Bank customers to perform a number of banking functions through the use of a personal computer and the Internet. When you use any of the Online Banking services described in this Agreement, you agree to the terms and conditions of this Agreement. Your use of the Online Banking service does not change any other agreement you may already have with us. You should review those agreements for any applicable fees, for limitations on the number of transfers you can make, and for other restrictions which might impact the use of your account(s) with the Online Banking service.

USING ONLINE BANKING

In order to use the Online Banking service, you must have at least one account with the Bank. To access your account(s) via the Internet, you must have World Wide Web access via a Secure Internet Service Provider and an Internet browser that supports 128-bit encryption.

You will receive an Access ID and Temporary Password (also referred to as "Personal Identification Number" or "PIN") from us within 2 to 3 business days after your Online Banking Application has been processed.

You agree that we are entitled to act upon instructions received through the Online Banking service under your Password and without inquiring into the identity of the person using that Password. However, you agree that you will not, under any circumstances, disclose your Password by telephone or any other means to any person. You acknowledge that no person from the Bank will ever ask for your Password and Bank employees do not need and should not ask for your Password. You are liable for all transactions made by the authorized use of your Password and agree that, if you give your Password to anyone, you do so at your own risk since anyone with your Password will have access to your accounts. At any time, you may ask us to disable your Password. You can change your password at any time.

For joint accounts, each person will have a separate Access ID and Password. Each person on a joint account will be liable for all transactions that are made on that account. Each person on a joint account authorizes all transactions made by any other person on the account. Each person on a joint account agrees to be liable for the actions of the other person(s) on the account.

LIMITATIONS ON TRANSFERS AND PAYMENTS

When you request a transfer between accounts or make a payment, you authorize us to withdraw the necessary funds from your designated account. You agree that you will instruct us to make a withdrawal only when a sufficient balance is available in your account at the time of withdrawal. If you do not have a sufficient balance, including available credit under any overdraft protection plan, we may either complete the transfer or payment – creating an overdraft – or refuse to complete the transfer or payment. In either case, we reserve the right to impose a non-sufficient funds (NSF) fee.

BUSINESS DAYS

For purposes of these disclosures, our business days are Monday through Friday. The following holidays are not included as business days: New Year's Day, President's Day, Memorial Day, Independence Day, Labor Day, Veteran's Day, Thanksgiving Day, and Christmas Day.

Account transfer or loan payment instructions received after 5:00 p.m. (Central Time), or on a day we are not open for business, will be processed on the following business day.

FEES AND CHARGES

There are no fees or charges for using the Online Banking service. However, depending on how you use the Online Banking service, you may incur other fees and charges including, but not limited to, normal account fees and service charges, any Internet service provider fees, and telephone charges.

Liability for failure to make transfers. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

1. If, through no fault of ours, you do not have enough money in your account to make the transfer.

Confidentiality

We will disclose information to third parties about your account or the transfers you make:

4. If you give us your written permission.

Unauthorized Transfers

1. **Consumer Liability.** Tell us AT ONCE if you believe your card and/or code has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your card and/or code, you can lose no more than \$50 if someone used your card and/or code without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your card and/or code, and we can prove we could have stopped someone from using your card and/or code without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

- a. **Visa Debit Cards.** Additional Limits on Liability for loss or theft. Unless you have been negligent or have engaged in fraud, you will not be liable for any unauthorized transactions using your lost or stolen Visa card. This
