

PremierBank's Privacy Policy for Mobile Applications

PremierBank may collect information regarding your mobile device such as device settings, unique device identifiers, information about your location, and analytical information that may assist with diagnostics and performance. For your convenience, you may be asked to grant permission for access to your mobile device's geolocation data. This information may be collected when you use certain services that are dependent on your mobile device's location (such as the location of an ATM or in store transaction).
